Combating Fake News

Believe it…or Not: Five Ways to Conquer Fake News

Five Key Takeaways

1. Be Susceptible: As a consumer of news online, you must be careful about what you read.
2. Look for Source: Check who the author is and why they are writing.
3. Check the Link: Clicking on a link can pull or pull people toward and away from information.
4. Fact Check: Use fact-checking websites to verify the accuracy of information.
5. Share Wisely: Share information only when you are confident that it is accurate and reliable.
