Tanenbaum’s Corporate Membership program offers global and national companies access to its premier services including consultation, trainings and resources (value $5,000). In accordance with law, contributions are tax-deductible to the extent they exceed $190 per person and as applicable $5,000 for the corporate membership. Tanenbaum systematically dismantles religious prejudice, hatred and violence and simultaneously promotes justice and respect for people of all religious beliefs. As a secular and non-sectarian non-profit Tanenbaum works to promote religious peacebuilders who help counter extremism and violence in armed conflicts and tackles religious bullying of students, harassment in workplaces and disparate health treatment for people based on their beliefs.
