It's no joke...with all the serious issues we are tackling on a daily basis, it's time to take a night off. You can do just that by joining us for some comic relief at Tanenbaum's 5th annual Tanenbaum Takes the Night Off on November 10th at 7:00 pm! This year, our event is virtual.

From avoiding COVID-19 and denouncing racism and extremism, to exposing fake news and worrying about the upcoming election, our hearts and heads have been working overtime to react in ways that will keep ourselves and our loved ones safe and move our communities forward in positive ways. We all need a break!

Sponsoring Tanenbaum's Comedy Night provides funds for programs that ensure equitable treatment and safety for us all. Our beneficiaries:

- Employers creating religiously inclusive workplaces.
- Medical professionals proficient in managing faith based health care decision-making.
- Teachers and educators who prevent bullying and promote respectful curiosity of difference.
- Diplomacy efforts informed by our global network of *Peacemakers in Action* who create cultures of peace on the ground in areas of armed conflict.

Please join us and take the night off. We'd love to see you. And on November 11th, Tanenbaum will get right back at work!
