## Tanenbaum to Host 6<sup>th</sup> Annual Religious Diversity Leadership Summit!

**New York, NY, May 13, 2022:** Tanenbaum's 6th annual Religious Diversity Leadership Summit will be held virtually on Tuesday, May 17 and Wednesday, May 18. Inspired by our 30<sup>th</sup> Anniversary programming, this year's Summit theme is, "[Imagine. Create. Build. Embrace Religious Diversity!](#)"

The 2022 Summit draws together an inspiring group of individuals paving the way for religiously inclusive workplaces. From global leaders to employee resource groups, attendees will gain insight on ways to navigate challenges and opportunities within the workplace and connect with sponsors, participants, and attendees alike. Summit attendees can also contribute to Tanenbaum's [3,000 Conversations for Building Respect](#); an ongoing series collecting reflections from Tanenbaum members on what building behaviors of respect for religious difference looks like.

This year's Summit also coincides with Tanenbaum's 10<sup>th</sup> anniversary of our Corporate Membership program! The Corporate Membership, now the Tanenbaum Membership Program, celebrates a decade of customized trainings, specialized guidance, and resources for nearly 70 multinational companies at all stages of their religious diversity and inclusion journeys.

Mark Fowler, Tanenbaum's CEO shared, "For the past 10 years through the Membership program, Tanenbaum's Workplace program has guided a global network of organizations and individuals to build more inclusive workplaces through experiential trainings and comprehensive solutions that foster respect for religious and nonreligious beliefs at work. Our annual Summit is an opportunity for DEI practitioners, human resources leaders, and ERG leaders to build capacity that makes room at the table to embrace diversity in all its forms."

Tanenbaum deeply appreciates The Walt Disney Company and our generous session sponsors at Merck, Microsoft, Target and Alliance Bernstein. With three sessions held across each day, this year's Summit welcomes panelists including Golden Globe-winning Egyptian-American creator, actor, producer, director, and comedian Ramy Youssef, Inclusive Leadership Institute Managing Director Jörg Schmitz, and Merck's Vice President, Global Diversity and Inclusion Center of Excellence Celeste Warren to explore challenges and opportunities surrounding identity in the workplace and beyond.
