## Join Us - and PFLAG! As We Return to the Forum!

Join us on July 21, 2022 from 11:00 am - 12:00 pm CT for the July installation of the Forum on Workplace Inclusion's 2022 Forum Webinar Series. Tanenbaum's Nina Boe and Jean-Marie Navetta of PFLAG will conduct a special iteration of "Beyond the Blame Game: Religion and LGBTQ+ Inclusion at Work." In the face of the continued fight for basic civil rights and ongoing assumptions about the intersection of religious and LGBTQ+ identities, this session will look at mitigating conflicts and creating cultures of inclusion for everyone.

## Check Out the Sikh Coalition's New Accommodations Guide

Our friends at the Sikh Coalition have just released their new resource, "[Accommodating Sikhs in the Workplace: An Employer's Guide](#)." ## Tanenbaum's 30th Anniversary: Imagine. Create. Build.

In 1992, Tanenbaum's founder Dr. Georgette Bennett imagined a world that included and respected people of all faiths and none. Three decades later, Tanenbaum continues to build practical programs that bring this vision to life.

## 3,000 Conversations for Building Respect

Over the first thirty years of Tanenbaum's work, we've seen the value of people having authentic and intentional conversations around building respect for religious difference, and what that means for them in their real lives.

3,000 Conversations for Building Respect is an opportunity for the Tanenbaum community to use our resources to explore: *How do we practically/actually build respect for religious difference? What's required of each of us? And how can we support each other in this endeavor?*
